

BRIGHT RISEN SUN

Commodities Practical Guide

1. What are Commodities?

Raw materials traded in bulk where prices are set by global demand. At **BRIGHT RISEN SUN**, we facilitate large-scale trade of these essential goods.

2. Main Categories

Metals

Copper, lithium, gold, and silver. Essential for industry and green energy.

Grains

Corn, soy, and wheat from South American agricultural powerhouses.

Energy

Oil and natural gas for global markets.

Chemicals

Fertilizers and resins primarily sourced from China.

3. Strategic Services

- **GACC Registration:** Mandatory certification for exporting food to China.
- **Company Formation:** Legal incorporation in China and Hong Kong.
- **Specialized Logistics:** High-volume handling and vessel chartering.
